

Get Out the VOTE Call Script:

Hello, this is (first and last name) from (____) Street.

I am a neighbor and volunteer calling to remind you to vote today, Tuesday January 14th.

Our election day on the MBTA Communities Zoning By-law is finally here.

It is so important that we get out and VOTE NO today. (9-12 Monday @ Town Hall) or

Polls are open from 7am to 8pm on Tuesday. Go To your regular precinct poll location: Town Hall, Newman, Rosemary, CATH, Golf Club.

This is a pivotal moment in our town's history.

The State HLC office (*Executive Office of Housing and Livable Communities*) is saying in the press that “there will be additional time for noncompliant communities to become compliant.”

We won't be sued and we won't lose funding.

VOTE NO so we get back to the base plan, and use this time wisely to create thoughtful zoning that serves our seniors, young people, and all future citizens.

(If they tell you they voted, thank them and jump to the next caller. If they say they will vote after work put them on a list to be called again at 5pm, if they say they heading up after lunch- set a reminder to call them at 2pm).

If they offer that they voted NO or will vote NO ask them to *DOUBLE THEIR IMPACT* & bring family, friends and neighbors because sometimes these elections are won or lost by a couple of votes.

This is such a big issue – Your NO Vote simply send this back to town meeting for review.

Thank you for your time.

(That can all be left on a voicemail.)
